## GENERAL

Disc golf is played like ball golf using a flying disc. One point is counted each time the disc is thrown and when a penalty is incurred. The object is to acquire the lowest score (without cheating).

## TEE THROWS

Tee throws must be completed within or behind the designated tee area. (Don't throw until the players in front of you are out of range.)

## LIE

The spot where the previous throw landed, mark with a mini disc or turn over the thrown disc, directly towards the hole or dogleg.

## THROWING ORDER

After teeing-off, the player whose disc is farthest from the hole always throws first. The player with the least amount of throws on the previous hole is the first to tee-off on the next hole.

## FAIRWAY THROWS

Fairway throws must be made with the foot closest to the hole on the lie. The other foot may be no closer to the hole than the lie. A run-up and normal follow-through, after release, is allowed.

## COMPLETION OF HOLE

A disc that comes to rest in the Disc Pole Hole, basket or chains constitutes successful completion of that hole.

## UNPLAYABLE LIE

Any disc that comes to rest above the ground is considered an unplayable lie. The disc must be thrown from the new lie on the ground, directly underneath the unplayable lie (RELOCATE TO AVOID DAMAGE TO VEGETATION.)

## OUT OF BOUNDS

If O.B. is visible between the disc and O.B. line. A throw that lands out of bounds must be played from a point 3' in bounds from where the disc went out of bounds. Permanent water hazards and public roads are always out of bounds.

## PENALTIES

RECREATIONAL PLAYERS WILL NOT BE PENALIZED FOR RULE INFRACTIONS. Other players will keep you honest.

## COURSE COURTESY

Please pick up trash, help new players play by the rules. YOU are the one that makes it work. By YOUR example, Disc Golf will change YOUR life and THEIRS, too. Remember the most important rule: THE MOST FUN WINS. TEE OFF & FLY FREELY.
