---

Permit is good from date issued to June 1 following year. After that date, the cache must be removed and a new location re-permitted.

The Johnny Appleseed Metropolitan Park District request that you monitor and maintain your cache monthly. The cache must be maintained in a family friendly manner. The cache cannot contain any food, alcohol, drugs, weapons, explosives, dangerous items or adult items.

To help protect our park's environment, please direct people seeking your cache to follow established trails, as close as possible to your cache site, to minimize off trail hiking.
